

# **Visiting the Leon County Lake Jackson Branch Library**

LEROY COLLINS  
**LEON COUNTY**  
PUBLIC **LIBRARY**

**Today, I am going to visit my library.**

**This is the front of my library.**

When I walk into the library, the doors  
will open automatically.

**This is the lobby of my library.**

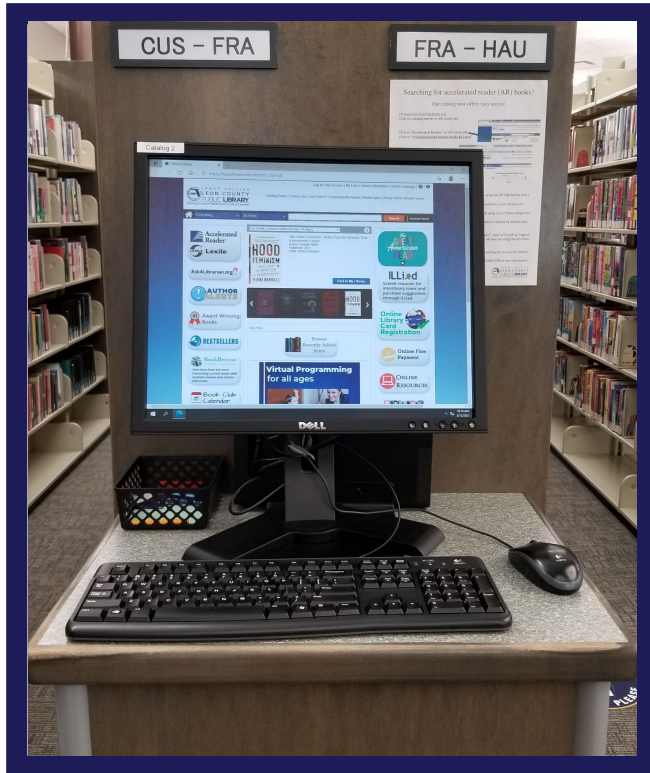

When I enter the library, I walk through the lobby to go into the library.

**This is the book drop at my library.**

I return the books, magazines, and media (DVDs, CDs, Launchpads) and other materials that I have checked out in the book drop.

## **My library has computers.**

I can use some of the computers to find books and movies at the library. On the Internet computers, I can play games with my grown-up.

## **This is the restroom at my library.**

I wash my hands when I am finished. I can use paper towels to dry my hands. There are water fountains I can drink from.

## **The children's books are all together.**

There are many books in my library. They are neat and organized and all have a space on the shelf where they belong. My library has rules. I will talk quietly. I will walk. I will stay with my grown-up. I can ask the nice librarians for help if I am looking for something or if I get separated from my group.

# **This is the Circulation Desk at my library.**

When I am ready to leave the library, I need to bring the items I want to borrow to the Circulation Desk. I will use my library card to checkout my items. Sometimes there is a line and I will be patient as we wait our turn.

I can use the self-checkout machine to check out my own things. Every time I scan a book or movie, it might make a beep and a click. The librarian can also help check out my books. I might hear lots of beeping sounds at this desk.

## **I am ready to go home.**

Sometimes when I leave the library, I will see a red light and hear an alarm beep. It is loud, but I don't have to worry. It means that someone forgot to check out a book before they left.
